Dear [REDACTED]

Thank you so much for your most generous donation of toys and gift cards to the children and families served by the Children's Diagnostic & Treatment Center. This year's "One by One" campaign to ensure that the most needy children and adolescents served by the Center receive a toy or gift card for the Holidays has been a tremendous success due to the efforts of caring individuals and groups such as you throughout our Community.

This year we anticipate providing toys, dolls, and other gifts to parents of over two thousand children. These children live in very disadvantaged homes which are made much worse due to their illnesses and/or disabilities which require specialized medical care, medications, supplies, equipment and other services to ensure their survival and optimal health, growth and development. Your participation in this effort will help these parents provide a special holiday for their children which will allow them to celebrate like other more fortunate children in our Community.

Thank you for making a difference through your thoughtfulness and generosity.

Best wishes to you and to your family for peace, health and happiness throughout the New Year.

Sincerely,

Stephanie Clayton
Coordinator, Community Relations

Susan M. Widmayer, Ph.D.
Executive Director
